

# Individual Meeting 10

## Download issue:

Print full comic as hidden <div>

## User study:

System usability scale

What types of situation would you use this system?

- Variety of situations
- Let them pick
- On the bus, lecture theatre etc.
- Elaborate on: watching solo, with friends etc.

One person to watch video, one person to read comic

- Then switch with different video
- How involved were they in the storyline?
- Could they follow along?

Creating a new form of media

If you could turn any tv series into comics, which ones? Which not?

Who in your life would this be most beneficial for?
