Individual Meeting 4

Survey:

Find out what the issues are with pre-existing subtitling methods in order to avoid/fix them in my project.

Gather opinions on video to graphic novel conversion to find out what users think of this medium and what features they would personally like to see implemented.

What do you think about presenting this video as a graphic novel?

- Same content presented in a different way

Look at BBC guidelines for subtitles

Literature review areas:

Subtitles:

Why do people use subtitles?

Subtitle customisation and personalisation

Dynamic subtitles

Video:

Key frame detection

Video to comic conversion

Video summarisation

Comic:

Why do people read comics?

Layout styles

Comprehension and Readability

Speed of subtitles

- Solution: graphic novel

List of sentences

- Bullet-point list
